Al Rey Villagrancia

has successfully completed the online, non-credit Specialization

Leader of Learning Experiences

This Specialization is intended for educators seeking to develop their expertise in the delivery of technology-enabled learning experiences. Through a series of 4(four) courses, you will learn how to adopt and adapt innovative pedagogical approaches to learning supported by digital technologies.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
